

NOTICE: ANIMAL HOUSES!

The SPCA of Hancock County invites you to participate in a creative winter focus: Animal Houses!

Professional and amateur builders are asked to take part in a great opportunity to help raise funds for the animals in our region. Everyone interested is invited to build and donate animal houses of all shapes and sizes – bird houses, cat condos, chicken coops, goat sheds, and horse shelters etc. – to benefit the SPCA of Hancock County. Educational materials will be attached to each house, describing basic details on how to care for pets.

The animal houses will be featured for sale at the second annual SPCA Pet Show & Fair 'Animal House Sale' on Sunday, August 22, 2010 in Northeast Harbor.

A select few will be featured at the fourth annual benefit Fur Ball Dinner and Auction on Friday, July 9, 2010.

All sales will assist the SPCA in generating funds to support its new shelter, scheduled for completion in the spring of 2010. With the ability to house up to five times the number of animals currently at the shelter, the new facility will have increased expenses. The SPCA will also broaden its educational programs and expand current spay/neuter programs.
